TUBE TRAFFIC · MONETIZATION

Content promotion on tube sites

Traffic acquisition and extra monetization for studios and individual models — proven on live accounts.

730.6M
views across the tube network

~30
tube sites in one dashboard

$27.6K
extra ad-share revenue, Apr–Sep 2026

OFFER

What we offer

A full cycle: we bring the audience, then turn every view into revenue.

01 · Traffic

Traffic

Your content is distributed across ~30 tube sites. We grow views, subscribers and free-traffic clicks on every platform and report it in one dashboard.

730.6M

total views in the network

02 · Monetization

Monetization

Views also pay directly: ad-share programs on Xhamster and Pornhub are paid out every month with invoices.

$27.6K

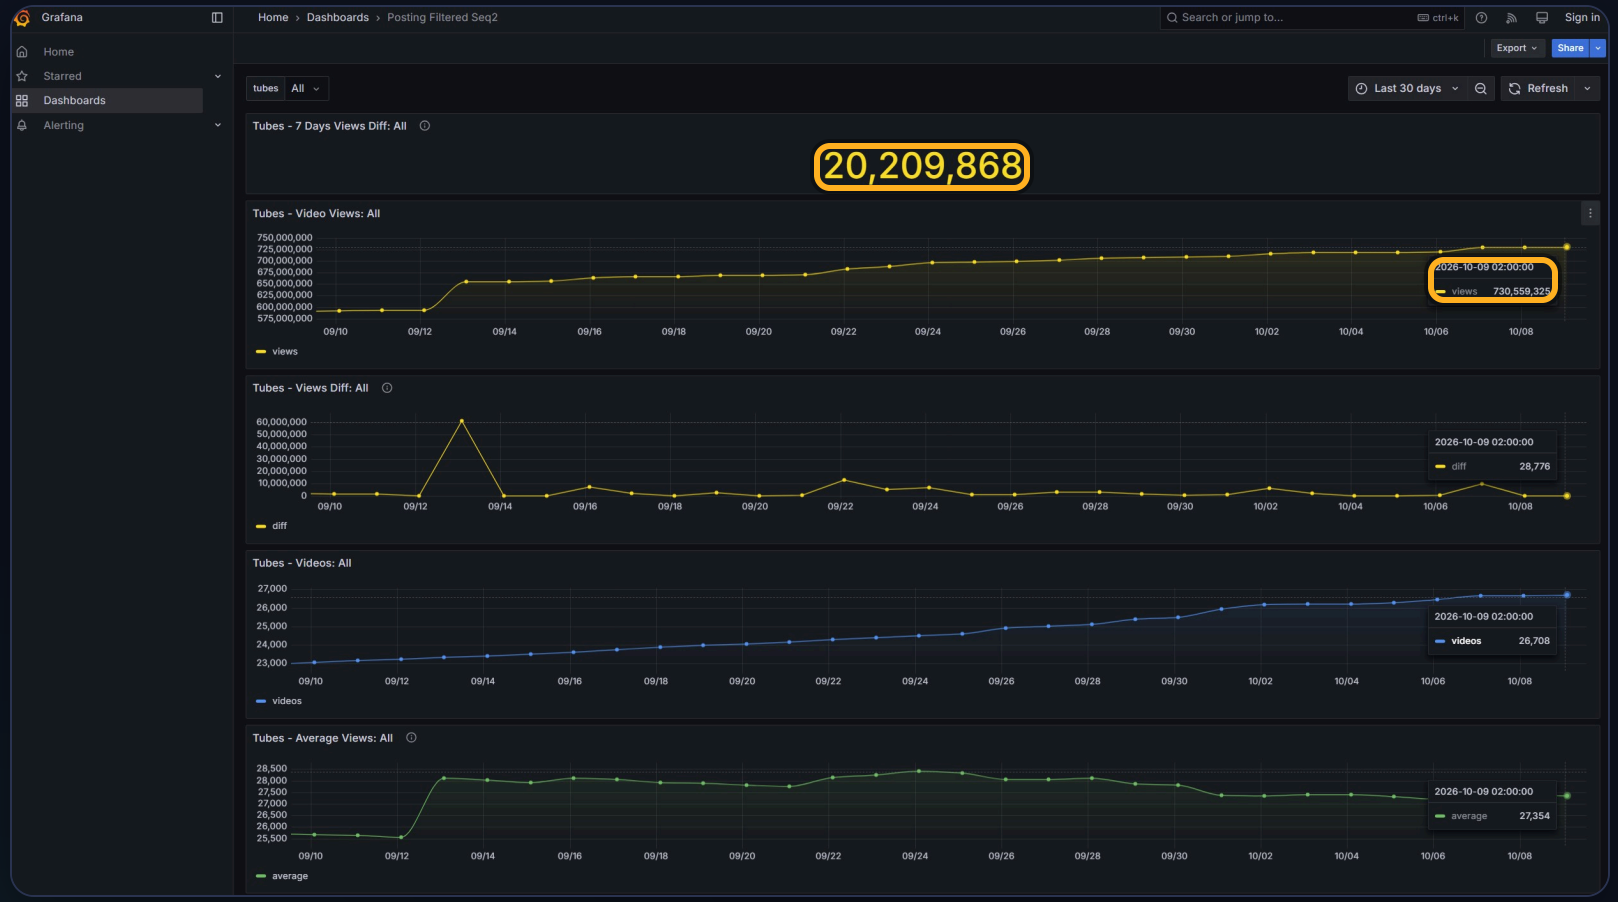

paid out, Apr–Sep 2026 (Xhamster + Pornhub)

- One live dashboard for all platforms
- Transparent monthly payouts with invoices
- Every number on the next pages is a real screenshot

01 · TRAFFIC

One dashboard, ~30 tube sites, 730M+ views

Total traffic collected from the whole tube network (Grafana, last 30 days)

730.6M
total views

20.2M
views in the last 7 days

26,708
videos online

27,354
average views per video

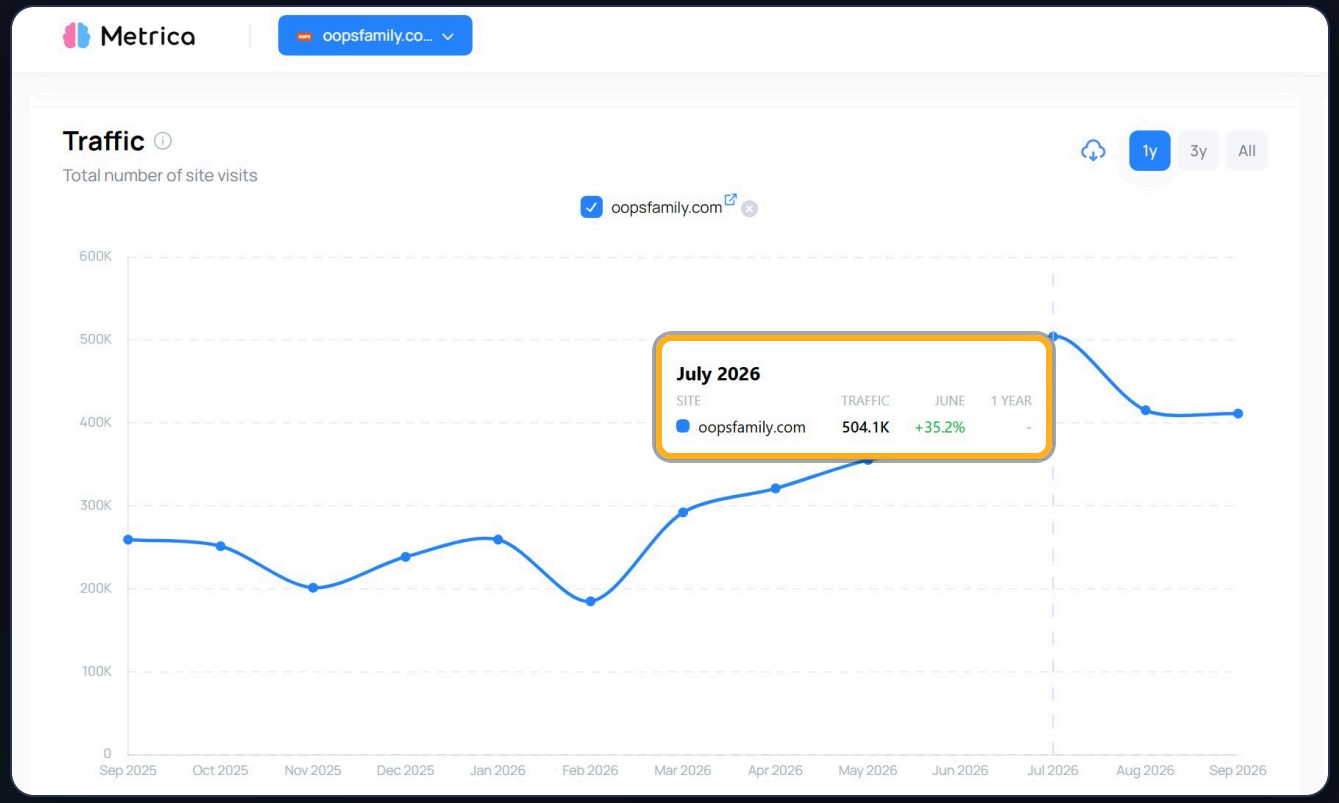

- Traffic from ~30 tube sites is tracked in a single live dashboard.
- In 30 days: roughly **+140M views** and **+3.6K videos** (≈ +16% catalog).
- Average views per video **grew** from ~25.7K to 27.4K while the catalog expanded — new uploads perform as well as the old ones.

01 · TRAFFIC

Main product site: traffic up ~58% in a year

Monthly site visits, Sep 2025 – Sep 2026 (Metrica)

504K
visits in July 2026 (peak)

+35.2%
July vs. June

~2.7×
Feb low → July peak

~411K
visits in Sep 2026

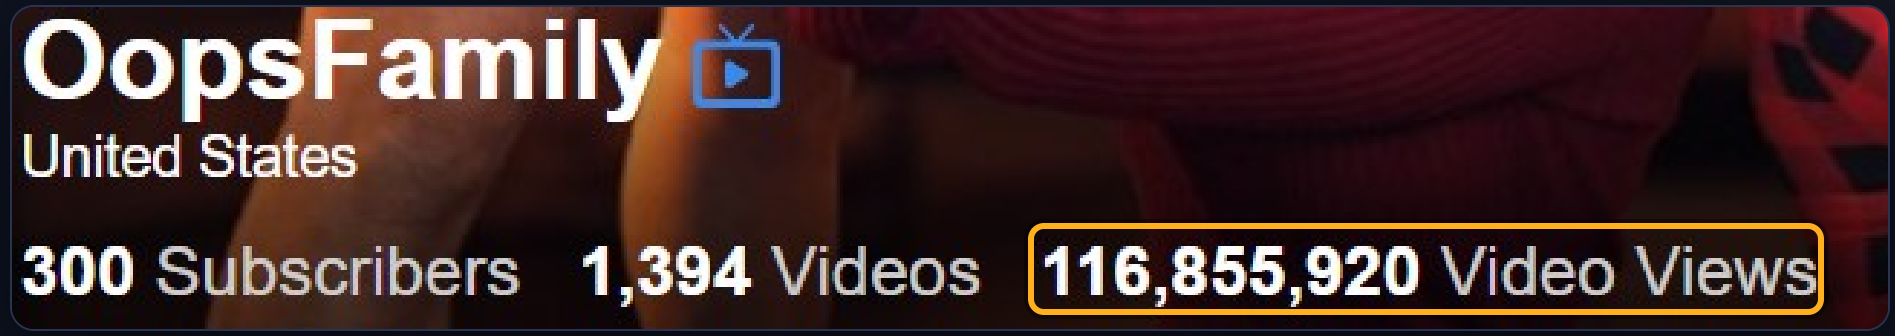

- Five consecutive monthly increases: from ~185K visits in February to **504K in July**.
- After the peak, traffic holds at ~410K per month — about **+58%** vs. Sep 2025 (~260K).
- Figures other than July are read from the chart, hence “~”.

01 · TRAFFIC

Pornhub: 116.9M views on a single channel

Channel position — views and catalog size

116.9M
lifetime video views

1,394
videos in the catalog

83.8K
average views per video

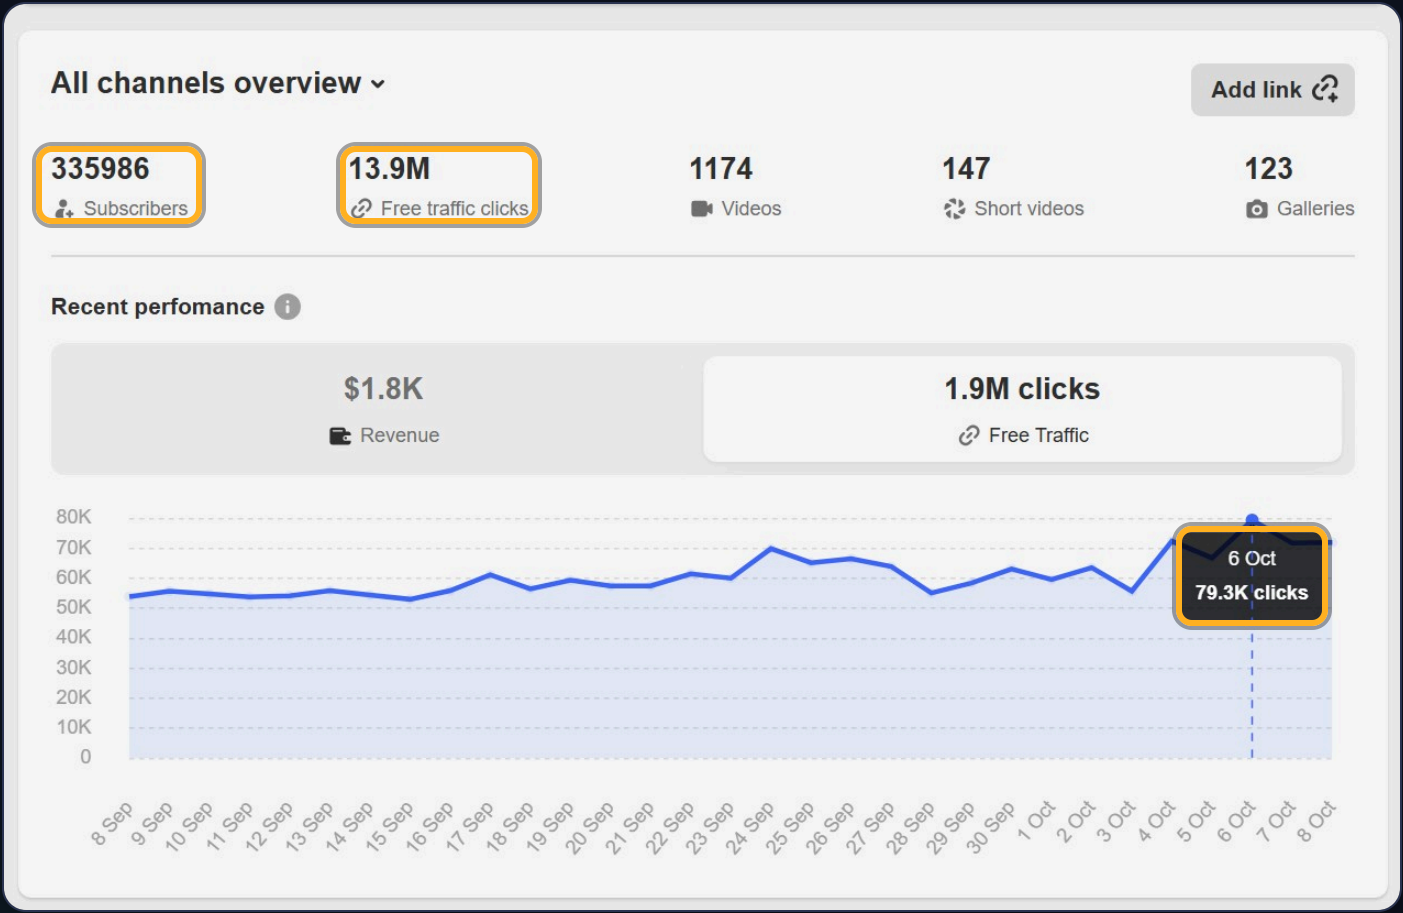

- A nine-figure view count on one channel, built on a catalog of under 1.4K videos.
- Every video averages ~84K views — the library keeps working.
- This Pornhub traffic feeds the Adshare payouts shown in Block 02.
